What If...

# ROAR STREET JOURNAL

Fan Art Feature!

I have a bad  
feeling...

Alright, let's get the bill...

The Barbary Lion is one of the largest lion subspecies.

They once roamed in the deserts and mountains of northern Africa, but are now considered extinct in the wild.

|                             |       |
|-----------------------------|-------|
